South Carolina Bass Federation Inc. History Letter

In 1972, the B.A.S.S. Federation system was created to enable B.A.S.S. Clubs within a state to communicate and cooperate with other B.A.S.S. Clubs and Federations.

When affiliated clubs in each state combine to form a B.A.S.S. Federation, they provide a framework to ultimately act and speak as a united voice on issues affecting the future of fishing and the preservation of our natural resources.

Today, there are 6 international Federations and 46 state federations made up of approximately 2,000 clubs and 40,000 members. The South Carolina Bass Federation, Inc. has approximately 825 members with 62 clubs. In 1996, 900 anglers entered the state trail tournaments.

As a member of the B.A.S.S. Federation, an angler has the opportunity to go from the local club level to the championship of bass fishing, the BASS Masters Classic.

Each state Federation has established a qualification system and in South Carolina it begins with the local affiliated club tournaments. There are three paths an angler can take to qualify for the South Carolina state team. One is to fish the six trail tournaments put on by the state Federation. The top four finishers overall in these tournaments advance to the state team. The second way an angler can get to the state team is by fishing the Six Man Team Tournament. In 1997, 516 anglers entered this tournament which was the largest held on Lake Murray, S.C. The top four finishers in this tournament also move on to the state team. The third way an angler can qualify for the state team is finish in the top four in the State Championship. The State Championship consist of fifty (50) anglers of the average anglers that fish the State Federation Trail and a like number qualify from the Six Man Team Tournament. These four anglers from this State Championship and the other eight qualifiers make the twelve anglers that compose the South Carolina Bass Federation, Inc. State Team.

The state team of twelve anglers go on to the Southern Division tournament. The top angler in this tournament is the State Champion and goes on to the B.A.S.S. Federation Championship. Finally, the anglers fish against other anglers in their division and the top angler from each division advances to the BASS Masters Classic.

Non-boaters can improve their position on the team by qualifying as a boater in either the Six-man Tournament or the Championship Tournament. *If a qualifying angler does not wish to or for other reason cannot participate on the state team his replacement will be next inline from the tournament results where that member qualified, in other words replacements for trail qualifiers will come from next inline on tournament results, replacements for six-man qualifiers will come from next inline from six-man tournament results and replacements for championship qualifiers will come from next inline from championship results. This process will be followed until the team leaves for the southern divisional and at that time the team alternate from the championship will move up in order to field a full team.*

To qualify for the Championship Tournament an angler must have fished at least one Trail Tournament or the Six-man Team Tournament in the current year. The Championship Tournament is a two day event, held the 2nd weekend of November, the combined weight for both days will determine winners and top 2 anglers will be boaters on the state team and the top two co-anglers will be non-boaters on the state team, the third place Angler will be the state team alternate. The entry fee for the Championship tournament will be the same as for the Trail Tournament, and will be subsidized with matching monies from the trail and six-man team tournament, this total minus expenses will be pay-back for the tournament.

The site for the Championship Tournament will be drawn from eligible lakes at the August state meeting.

The South Carolina Bass Federation, Inc. State Team

In June of each year B.A.S.S. invites the South Carolina Bass Federation, Inc. President to bring a team to the Southern Division Tournament. This tournament is rotated throughout the 7 states excluding South Africa obviously for financial reasons. Each state is given a chance to Host the Tournament.

We budget money to be used for the South Carolina Bass Federation, Inc. State Team. This money is to include individual expense monies and the Team uniforms. Each team member uses this money to help offset expenses incurred both during practice and the actual tournament. The president selects the Team uniforms and solicits team sponsorships. He at his discretion uses the monies for uniforms and team expenses. Usually if team sponsorship monies are given they are used to aid in the rooms and team dining.

This tournament will be a team tournament. Other than the big fish, money can only be won by a team. The money is presented to the President or team captain. He takes the check and deposits it in the Federation Account. The prize money is divided equally after expences and checks are issued to each team member. Individual big fish monies are given to individuals. They are allowed to keep it.

The individual that has the heaviest stringer of fish for the entire event on each team is declared the representative to go to the B.A.S.S. Federation Championship the following year. We in South Carolina declare him/her the State Champion. We will again give them expense money to go to the B.A.S.S. Federation Championship and represent South Carolina Bass Federation, Inc. in this event. Whatever he/she wins is again theirs to keep. If and when the South Carolina Champion wins his division and goes on to the Classic we will pay expense monies.

The B.A.S.S. Federation Championship is the Final step in determining BASS Masters Classic qualifiers from Federation Ranks. The Top Angler from each Division goes to the BASS Masters Classic, held in late February.

6 Man Team Event

***PARTICIPATES AND ELIGIBILITY:** participation in this tournament is open to any Member of the South Carolina Bass Federation, Inc., who is 16 years of age or older and who are active members in a B.A.S.S.-affiliated chapter and in good standing. Proof of age to the satisfaction of the tournament officials is the responsibility of the potential competitor.*

The 6-Man Program is founded on team participation. Each B.A.S.S. Chapter, affiliated with the South Carolina Bass Federation Inc. on record and in good standing and having documented attendance at four of eight state or district meetings is qualified to send a 6-Man to the tournament.

The meetings start in November of the previous year at the District Meeting and end in August of the year of the tournament at the State meeting. They are invited to enter as many teams as they would like in the State 6-Man Tournament. (How a Club Chapter determines who their 6 men are is left to their own discretion.) Normally they are the top 6 finishers of their own fishing circuit of the previous year. To be eligible each participant must be a member of B.A.S.S., be declared and listed as a paid member of that club with the B.A.S.S. Federation and be listed on the South Carolina Bass Federation, Inc. roster by Aug.15th. The teams may consist of 2, 4, or 6 fisher-persons. Each team will total their weight for the two days and the team with the heaviest combined total weight of the 2,4 or 6 fishermen will win. Note, if you choose to send 2 or 4 men teams they will only be weighing the weights of those 2 or 4 persons compared to other teams with 6 fishermen.

In the event someone drops out, the team alternate will take his place. You cannot move one team members' weight from one team to another. If the team loses a boater and cannot replace him with an alternate then the team also loses a non-boater to even the field.

Entry is accomplished by returning a properly completed entry form as supplied by the Secretary and the team entry fee before the September 15th deadline. The 6-Man Team event is a two- day event. It like all Federation events is held the second weekend of the month. The 6 Man Team Event is held in October. The pairing meeting will be on the Thursday before the second Friday and Saturday. The actual pairing meeting will start at 6:00 PM. or as soon as the changes are completed. Submit written team and roster changes at this meeting starting at 4:00 PM. Roster changes must be in writing, along with current BASS membership and insurance information. Every entrants info will be checked. When completed, we will start the pairings meeting.

All participating team members must be present at the Thursday meeting and be prepared to show your B.A.S.S. card. When the boaters and non-boaters are called they must come down, meet and disburse outside to make any meeting or strategy plans. This will assist in the flow of the pairings. In the event someone has a problem with the pairing do not get excited just let the officials know as soon as possible and they will take care of the situation.

The site of the 6-Man event is rotated throughout the Lakes that can handle a tournament of this size. These lakes are Santee-Cooper , Murray, Clarkhill and Hartwell.

The payback at the 6 man Team Event will be the sum of the total number of teams, times the entry fee, minus the event expenses. 100% of what is left will be paid out to the top 10 teams. No individual money, except big fish. We will pay first and second place big fish per day with 70% / 30% split. The overall winner on the individual side is recognized as such and will be presented with a non monetary gift.

The South Carolina Bass Federation, Inc. State Championship Tournament

To qualify for the Championship Tournament an angler must have fished at least one Trail Tournament or the Six-man Team Tournament in the current year. This tournament is held in November of each year and is like all tournaments on the Second weekend. This tournament like the 6 Man Team Event is a two-day tournament. This tournament will be held on Friday and Saturday. The combined individual weight for both days determines the winners and the last four team members and the first Alternate. The first and second Anglers are Boaters and the first and second Co-Anglers are Non-Boaters. The third place Angler will be the first Alternate for the State Team. If any of the Top Four positions have previously qualified then the next position will work their way down the line. If Non-Boaters are now qualified as Boaters then we will go back to the event they qualified from and pull the next person in line. The entry fee for the State Championship is the same as the Trail Tournaments. This tournament is subsidized with monies from both the Trail and the 6 Man Team Event. The amount taken from the Trail will be matched from the 6 Man Team Event. This combined total will be paid back minus the expenses.

The site for the State Championship will be drawn out of a hat at the State meeting in August.

State Team Letter

State Team members,

Congratulations on making it on the South Carolina Bass Federation State Team. I know you are looking forward to going to Nothe Carolina this summer. We have a mixer of some seasoned team members as well as some newcomers. So, those of you that have been there and done that bear with me. Those seasoned members should know by now, what is expected. We want to use our past experiences to benefit from and make the Divisional even better each year.

In preparation there are a few things I need you to do for me. On the first night of the Divisional I will have to introduce the team and therefore would like a short history of you and your fishing experience, Bass Club, wife's name and children, occupation and number of times you have been qualified for the state team.

I will need Insurance papers (current) originals not copies to send to National Bass. Remember we must have a minimum of \$100,000 liability coverage. The dates (effective starting and ending) must cover the dates of the tournament. Even if you are a non-boater and plan on using your boat in practice only. I still will have to have your insurance papers. If you are not using your but for what ever reason and you are using a loaner you must have a letter of authorization from the owner on file with B.A.S.S. National Federation. Please send this to me not National B.A.S.S.

I will have to get the Uniforms on order soon, so I will need your sizes back to me as soon as possible and no later than March 1st. I need your shirt size, your waist size and inseam in inches. I will also need your jacket size. O K gentlemen be realistic and give me the real size, not what you would like for it to be. We don't have time to swap back and forth. We want you to look good as usual and not look like you have on your little brothers clothes.

When you get your uniforms do not think you can change them by adding your own sponsors or taking some of our sponsors names off. This is a team and we are all looking alike. If you have individual sponsors and they would like to have their logo on the uniforms you and they must contact me and we will try to work it out. When you get your uniforms remember we will advise you what to wear on what day. During the blast-off and weigh-in we will be taking pictures and you must wear the uniform of the day. That means the shirt, hat, pants and Vest. I know some of you have lucky hats and so forth but you will have to wear them while on the water not at the blast-off and weigh ins. We will have a team meeting everyday and all will participate. This is not an individual event but a team tournament. If we are lucky enough to win money, the check will be deposited into the Federation account and we will divide it and issue checks from the Federation when we get back.

Each of you will be eligible for some expenses. I will take whatever is left over from the uniforms and whatever we get from sponsors and subsidize our food and rooms accordingly. We do want you to bring your families so plan on bringing them if you can. We plan the event in June after school is out to allow you to make this a vacation for you and your families. I will be sending you another update as we get closer and with it you will be given the tournament rules and the contract from BASS.

With this letter I am sending each of you a Contract from South Carolina Bass Federation Inc. Please return this back to me completed again as soon as possible. You will not be allowed to participate without this contract signed and on file. If you have any questions on anything I have covered so far give me a call and I will be glad to explain it further if necessary.

Good fishing!
Harry Wallace, President
South Carolina Bass Federation Inc.
